

# How to make an IRS payment using your **bank account information**

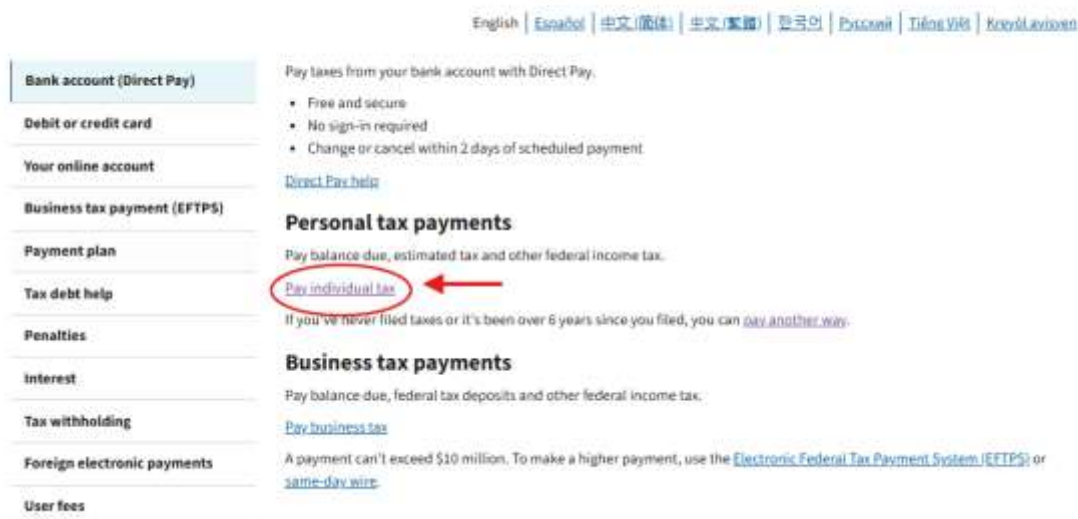

\*You can make a payment online using a phone, tablet, or computer\*

1. Go online to [irs.gov/payments](https://irs.gov/payments). You'll see a page that is titled "Make a payment", you'll then need to choose the blue button that says "Direct Pay with bank account" like pictured below.

2. It will lead you to another page that will say "Direct Pay with bank account", make sure to click on the link that says "Pay individual tax".

## Direct Pay with bank account

3. Go ahead and click on the blue button that says “Make a payment”.

## Pay personal taxes from your bank account

**Bank account (Direct Pay)** Pay personal taxes from your bank account with Direct Pay.

- Free and secure
- No sign-in required
- Change or cancel within 2 days of scheduled payment

[Direct Pay help](#)

**Pay personal taxes**

Pay balance due, estimated tax and other federal income tax.

If you've never filed taxes or it's been over 6 years since you filed, [pay another way](#).

**Make a payment**

[Individual tax payment types](#)

**Look up a payment**

Check, change or cancel a payment. You can only view one payment at a time.

Have your confirmation number and SSN or ITIN ready.

**Look up a personal tax payment**

View payment history and balance in your [online account](#).

4. This will lead you to a page that will say “Direct Pay”, you will need the following information to be able to make the payment.

- Personal Information (name, date of birth, SSN/ITIN)
- Current year or prior year tax return information
- Bank account information (routing number, account number & account type)

If you're making a payment for an amount owed on your original tax return (Form 1040) then make sure to answer the three sections as the picture shows. If you're making a payment for an amount owed from a previous year, then you can simply change the tax year by choosing the year on the “Tax Period for Payment” section. Then click on the continue button and click continue again to confirm.

**Please Confirm**

You have chosen to make a Balance Due payment for your Income Tax - Form 1040 for Tax Year 2024. Is this correct?

**CONTINUE >** [Cancel](#)

- Once you click continue, you'll need to verify your identity by providing the information from a prior year tax return (2019-2023). The information you enter must match the information from your tax return for the tax year that you selected for verification!

All fields with \* are required.

### Verify Identity

Direct Pay verifies your identity using information from your 1040 filing history. Please provide the following information from a 1040 tax return you filed for one of the years listed in the Tax Year for Verification drop down menu.

Note: the Tax Year for Verification you enter here does not have to match the tax year for your payment.

**Tax Year for Verification \***

The information you enter must match the information from your tax return for the tax year you selected above.

- Once your identity has been verified, it will lead you to the next step which is entering your bank information. It will also let you input the amount that you wish to pay as well as the date that you want the payment withdrawn from your bank account. If you have an email, make sure to include it so you can receive an email confirmation of your payment.

**Note:** You can program the payment to be withdrawn in a future date.

### Your Payment Information

Please enter and confirm the payment amount below.

Select a date for your payment to be processed. The payment date selected is the date you will get credit for the payment although the payment may settle on a future date.
