

The ITIN Application and Renewal Process

The ITIN application takes 6-8 weeks to process.

Each ITIN applicant must sign their own application (Form W-7) unless under the age of 18. Applicants under 18 years of age can choose to have a parent or guardian sign for them. In this case, you may have to mail the W-7 to the applicant or applicant's parent for signing before completing the process.

It's important to answer any letters from the IRS, or you may have to reapply.

You may call the ITIN hotline (800-908-9982) to check the status of your application or to request a copy of your ITIN letter.

The following documents are required for each ITIN application or renewal:
