Driver License Services, Extensions, Waivers, and Covid-19 Information

The Department has resumed all in-office DL and ID card services by appointment only. These services include renewal transactions.

NOTE: The waiver on expiration dates for DL and ID cards ends on April 14, 2021. DPS encourages customers who need to renew to schedule an appointment at their local driver license office online.

The waiver, granted by the Governor's office in March due to the COVID-19 pandemic, applied to DLs, commercial DLs, commercial learner permits, ID cards and election identification certificates that expired on or after March 13, 2020.

Texas driver license and identification cardholders

To minimize the need to visit your local driver license office, many Texas DL and ID holders are eligible to conduct their renewal, address change, or replacement transaction online by visiting [Texas.gov](https://www.texas.gov). For additional information about renewing or replacing your DL or ID card or changing your address, visit the following webpages.

Replacing a lost Texas driver license or identification card

The Department encourages all Texas residents who have lost their Texas DL, ID, or CDL to conduct their replacement transaction online. Visit the Department's webpage [How to replace your Driver License, Commercial Driver License or ID card](#) for more information.

Transferring an Out-of-State Driver License to Texas

New Texas residents can legally drive with a valid, unexpired driver license from another U.S. state, U.S. territory, Canadian province, or qualifying country for up to 90 days after moving to Texas. Visit the Department's webpage [How to apply for a Texas Driver License](#) for more information.
